## Thursday League Update

We will be ending the 3rd cycle after week 5 , NOT week 6 . We are doing this to not run too far into October and playing in darkness. We are making this adjustment and will be looking at making adjustments to our timeline for next year.

For playoffs - The top 21 teams (total points accumulated) will automatically make the bracket of 32 . The lower 22 teams will play an elimination match and the 11 teams that win will complete the bracket of 32 .

The playin matches will be held $9 / 14$ and the official playoffs will start $n$ 9/21.
